What Makes This Program Different

32 Hours Intensive Live CFE Training

100% Important Topics Covered in Live Sessions

70% of Overall Syllabus Covered in Just 4 Days

Live Sessions by Puneet Garg Sir

Networking Opportunity at Lunch & Snack Breaks

Certification of Participation

At AIA, we believe a professional gateway for the CFE Credential deserves more than recorded lectures and theoretical learning. That is why we designed the 4- Day CFE Residential Training Program - an immersive 4-day professional learning environment where participants learn, interact with Puneet Garg Sir, analyse case studies, and prepare alongside like-minded audit, compliance, & finance professionals

Structured 30-Day CFE Preparation Approach

Once you have attended the **32-Hour Residential Training Program**, your 70% of the overall CFE syllabus will be directly explained by Puneet Sir – covering 100% of all the most important exam topics. Every critical concept is explained and discussed in detail, and real life application pattern.

By the time on Day 4th, your core CFE preparation is almost done.

After attending a 4-days residential program, now its time to cover the remaining 30% of the syllabus as well. By referring to the detailed **60 hours of video sessions available in AIA LMS**. Using short study notes, recorded video lectures, flash cards, and exam distractors, you complete this portion at your own pace.

Complete CFE in Just 30 Days

Your 30-Day CFE Success Plan. From Day 1 of the Residential Program to CFE Certified - here's exactly how.

Congratulations!
You are a CFE now!

DAY 30 → Appear for the exam for last section.
